

New Netball Team Limited (NNTL)

Northern Comets Assistant Coach

NNTL is seeking to appoint an assistant coach to work alongside the Northern Comets Head Coach for the 2020 National Netball League (NNL) programme.

ROLE DESCRIPTION:

The core purpose of the Northern Comets Assistant Coach is to lead the development and implementation of the performance programme and coaching plan in consultation with the Head Coach; and foster a Performance environment.

While the Northern Comets Head Coach has overall responsibility of the performance programme, the Assistant Coach will be an integral part of the coaching unit; leading their area of expertise and support the Head Coach throughout the NNL campaign.

Where the Head Coach of the Northern Comets has Northern Stars commitments the Assistant Coach would step into the Head Coach role. This will be dependent upon the NNL draw which is yet to be released.

More specifically the Assistant Coach will:

1. Unreservedly support the Head Coach of the Comets and the franchise in a constructive manner.
 2. Assist with the development and implementation of the coaching plan and identify key components that align with NNTL performance goals.
 3. Be a key driver in collaboration with the Northern Comets Head Coach of the individual development of identified athletes in the NNL team.
 4. Assist in holistic development for performance. This includes creating effective programme and training sessions that help to ensure individual athletes in the NNL team are technically, tactically, physically and mentally prepared to perform at a high level.
 5. Assist the Head Coach in utilising technology to accurately analyse for skill development, identifying key development areas to successfully progress athletes into high performance netball.
 6. In consultation with the Head Coach, lead the analysis of training & game data and video footage that will assist in the development of NNL athletes.
-

7. In consultation with the Head Coach, lead the analysis of opposition team strategies and individual athlete skills to provide key data for performance.
8. In consultation with the Head Coach, assist in the development of astute game strategies for opposing teams. Provide input into the weekly selection of the NNL team, including the starting seven and substitutions to enhance on court performance.
9. Assist the Head coach in training & match debriefs and athlete feedback processes.
10. Assist the Head Coach and to conduct regular one on one athlete reviews; throughout the season and at the end of the season.
11. Assist with the management of the support staff, including but not confined to, the monitoring of weekly athlete progressions in all training areas.
12. Maintain confidentiality and discretion at all times.

Term – 21 January to mid-June 2020

This is a volunteer role however a small contribution towards petrol will be made.
